

SUMMER-FALL 2009 PRAISE REPORT — WITNESSES FOR JESUS, INC.

“...I am sending you, to open their eyes so that they may turn from darkness to light and from the dominion of Satan to God...”—Acts 26:17-18

Your Ministry to Jehovah's Witnesses and Mormons

Dear Friends,

We appreciate your continued prayers for our ministry. This summer's mission outreach to Mormons in Manti, UT went very well as God came through again this year with incredible witnessing opportunities and divine appointments on the streets. Pastor Kevin of a Calvary Chapel in Nevada joined our ministry volunteers (Rob and Doug) for the outreach. It was his first time and he really enjoyed sharing his faith. They discussed the differences between the LDS Gospel and the Biblical Gospel and distributed approximately 550 tracts. Since the ministries that participated in this event chose not to use signs this year in an attempt to come across more approachable than confrontational, our guys made t-shirts that displayed questions to challenge Mormon thinking and promote conversations. These worked well!

Our local Ex-JW support group

Our Ex-Jehovah's Witness support group is continuing to grow—especially online where we have nearly **270 members!** Heart-wrenching stories of the Watchtower policy of shunning family members who leave the Witnesses continue to fill our Internet boards, but the love of those who understand what they are going through makes all the difference in helping these people heal.

As our Spanish websites continue to grow, we have been receiving emails from Spanish speaking Jehovah's Witnesses and Mormons seeking help on their way out of these religions. Since our Spanish translators have their hands full translating our site material, God provided **Pastor Juan of Argentina** who volunteers on our website to follow-up with these individuals through email. So far he has led **3 Jehovah's Witnesses and 4 Mormons to the Lord!** He is also using our Spanish material to teach counter-cult seminars in his area of Argentina. Due to high printing costs there, he needs a large volume copier for this counter-cult ministry and street evangelism. If you can help, see the "Ministry Needs" box on the right.

Family News: Bruce, Alicia and I are busy getting ready for the birth of our baby William Robert who is due to be born October 24th, 2009! With only a few weeks left to go, I struggle with the normal aches and pains of late term pregnancy, but overall, everything is going well. Thanks for praying!

MINISTRY NEEDS:

Those who can financially help our ministry with contributions of any amount are greatly appreciated — especially as the economy is struggling and some of our monthly donors are no longer able to contribute. Your support as the Lord leads is treasured and put to good use! ☺

A SPECIAL NEED – How You Can Help:

As noted in our letter to the right, Pastor Juan of Argentina is currently partnering with our website Spanish ministry to reach JWs and LDS through email and local street ministry. He and his church need a mass production copier that costs \$1,200. Neither his church nor our ministry can afford this expense. However, Rocky Mountain Calvary has established a special fund for Pastor Juan's printer need that donors can contribute to and receive tax-deductible receipts at the end of the year. If you would like to help, send a check or money order made out to:
